

Equip and match- Rusta och matcha

Are you seeking a new job or do you want to start studying? We support you to guide you on the right pathway!

If you are granted Equip and Match by the National Employment Service you can choose Misa. At Misa we specialise in giving individual support in your search for a new job or studies.

Citation referring to us

”I'm really glad I found your organization. I didn't know there was anything like this. I feel that I have been supported with ideas and conceivable ways to reach my goal.”

You control, we support!

Employment specialists have extensive experience in supporting people to work. At Misa, you get access to a large contact network of employers. Misa implements Supported Employment, a specific method, which is based primarily on individual focus. The goal is always to match you with the right work place and employer so that you as an individual achieve finding your chosen job. Our philosophy is that you control and we support, and that everyone who wants to can find a place in working life with the right support.

Together, we work to

- **Improve your application documents such as CV and personal Cover letter**
- **Develop your network**
- **Increase your skills at work via internship**
- **Match you to a workplace or school that suits your needs and wishes**
- **Create routines and provide motivation in everyday life**
- **Search and find training or educational courses.**

Why choose Misa?

At Misa, there are no ready-made solutions, but our starting point is to take advantage of your strengths, wishes and opportunities. Within the company, there is specialist and expert knowledge, which includes mental health issues..

We also have a broad knowledge of ADD, ADHD and diagnoses within AST. We are used to collaborating with social services, the Employment Service, the Social Insurance Agency and training providers. Over the years, we have established a vast network employers and companies, over 2000 in various industries.

How can you take part in Misa's support?

Contact your employment agency if you are interested in receiving support from us at Misa, it is the Employment Agency that grants you the Equip and Match initiative. When you are granted the service, you have to give to the employment agency Misas KA-number, that are:

Stockholm has number 10072659, Nacka has number 10072661
